Happy Hour Club.

The members of the Happy Hour Club were entertained by Miss Ada Fowler and Mr. Joseph Burns at the home of Miss Fowler on Ingalls Street. A pleasant feature of the evening was the musical contest. Neat cards were distributed bearing questions that could be answered by guessing the various airs on the piano. Miss Myrtle Jensen carried off the prize. Partners for supper were chosen by untangling cords on one end of which was a fish and a heart with a lady's name at the other.

An elegant luncheon consisting of the following delicacies was served: French rolls, pressed chicken, boiled ham, potato and cabbage salad, pickles, cheese, olives, chocolate, lemon pie, ice cream, marble and nut cake. After supper the guests present participated in playing Shrook Holmes and other entertaining games. The following were invited guests of the club: The Misses Mamie Campbell, Leona Zundel, Mrs. R C Lowe Messrs M G Cutler, H J Bridenbecker, C Nofsinger and J Gibbs.

Miss Vivian Bergen and Mr. John Olsen will entertain the club tonight at the home of Mr. and Mrs. Burdett Smith.

Engine Derailed.

Tuesday afternoon the engine of the mixed train was derailed while backing onto the side track at the Garland depot. The spreading of the rails was the cause of the derailment. No. 31 was delayed three hours as a result of the trouble. A track had to be built around the engine to let No. 31 pass. A wrecking outfit came up Wednesday and hoisted the derailed engine onto the track which has been repaired since the accident.

That Character Ball.

The Grand Character Ball to be given at the Amusement hall in this city on the eve of Washington's Birthday, Friday, Feb. 21, promises to be the crowning social event of the season. Those who fail to attend will 'miss it.' Some expensive costumes have been ordered for the occasion and many characters will be represented both genuine and burlesque. Those who dress for the ball will be given the floor until the latter part of the evening after which all may join in the dance until the midnight hour. The various committees in charge are working like trojans to make the affair a great success. The social is for the benefit of the Garland Public Library and Gymnasium Board and everybody in this valley should turn out "en masse" and represent some character. Prizes will be awarded to the two best characters represented.

Sudden Death of S. W. Ritter.

Logan, Feb. 7.—S. W. Ritter, brother of W. W. Ritter, the Salt Lake banker, and a well known resident of Logan, died very suddenly here this afternoon. He came up town to visit his brother, B. F. Ritter, at the Ritter Bros. drug store. As he walked into the store he fell to the floor and expired almost immediately. The cause of his death is attributed to heart failure. He had just recovered from an attack of the grip. He was 73 years of age and leaves a wife and five children.—Deseret News.

To Montpelier, Idaho.

H F Otte, who has been the local manager of Ritter Bros. Drug Store in this city for some time past, has been transferred to Montpelier, Idaho, to take the management of the company's drug store in that city. Mr. Otte, accompanied by his wife and children, left Tuesday. He takes the place of J A Rostan, who recently severed his connection with the firm. J D Eaton succeeds Mr. Otte as local manager of the drug store here. Mr. Otte was secretary of the Garland Commercial Club and was a public-spirited citizen. We regret that he was called away from this community.

Reason Enthroned.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Reverse your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. For sale at Ritter Bros. drug store. Samples free.

NOTICE.

TO OUR FRIENDS AND PATRONS—

We are grateful to you for the most excellent trade which you have given us during the past year of our business. We have labored hard to please and feel that we have been amply rewarded.

In the past we have done a very extensive credit business against the advice and counsel of our best friends but now realizing the great changes that have taken place in the business world when every transaction tends to show the wisdom of meeting our bills so far as possible as we go along and doing our credit business with the Banks instead of doing it with the merchant. After considering the many advantages both to the people as well as the merchant, we desire to announce to the public that on and after March 1st, 1903, we will do a cash business with a thirty day limit. All bills must be met every thirty days, thus giving all an opportunity to arrange to meet their bills each month.

In adopting this method we feel that we can give our customers much better service.

Again thanking you for your liberal support, we wish you a happy and prosperous New Year, and earnestly solicit your continued good will and patronage.

Yours for business,

W. L. GROVER & SONS.

Deweyville.

Feeling we would like to be heard from again, will send a few news items.

On Tuesday night the Y L M I A gave the Y M M I A a surprise. The bishop invited all the young men to be present at a special meeting, as there was some items of interest to be attended to. There was a splendid attendance and meeting was commenced by singing a hymn. Then the young ladies came trooping in. Well, there was a lot of the most surprised men you ever saw. They looked perfectly silly, it took some of them a half-hour to recover themselves and act natural. Not one of them had the least suspicion of a surprise. The young ladies furnished a splendid program and refreshments. All enjoyed it very much and would be willing to attend more meetings of this kind.

Gathering up a crowd and quietly slipping into a neighbor's house and spending the evening is quite the order of the times.

J. F. Childester of the Fifth Judicial District was here last week visiting relatives. A social in his honor was given at the home of Bp. Geo. C. Dewey.

The home of O C Loveland is quarantined they having three cases of scarlet fever. One case, that of little Sybil, being very severe, she having scarlet fever and diphtheria. All are improving.

C J Dewey is visiting with relatives and friends.

Eight from here are attending school in Logan.

Mr and Mrs N P Marble spent last week in Logan working in the temple.

At Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results.

In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by Ritter Bros. drug store. Persistent Cough—Relief Found..
